FEATURES

Rapid Cooling Power

IQ Air Conditioners are engineered with industry-leading technology to keep your space comfortable, fast. Powered by advanced compressor technology and efficient R410A refrigerant, our range of 9,000 BTU to 24,000 BTU units delivers rapid, high-efficiency cooling and Heating, designed to maintain the perfect indoor climate for any room size

3-in-1 Versatility

Enjoy customized comfort year-round. The IQ window unit features three core modes: Cooling, Dehumidification (removing up to 59.28 pints of moisture per day), and Fan Only. Plus, built-in Energy-Saver and Auto modes ensure optimal performance wherever and whenever you need it.

Smart "I FEEL" Temperature Sensing

Experience personalized comfort right where you sit. Utilizing intelligent "I FEEL" technology, the air conditioner senses the temperature directly at the remote control—updating every 10 minutes—to make precise micro-adjustments for your immediate surrounding area.

Effortless Setup & Operation

Hassle-Free Installation: Designed to fit standard windows without modifying your frame. Everything you need is included in the box—all you need is a screwdriver!

Intuitive Controls: Easily monitor and adjust your room's climate from anywhere in the room using the sleek remote control and clear LED display.
